

Tricare East Enrollment Information

Tricare North and Tricare South will be merged into one new region named Tricare EAST effective January 1, 2018. Humana Military is the managed care support contractor and Wisconsin Physicians Service (WPS) will be conducting claims processing.

Mandatory re-enrollment will need to occur prior to 01/01/2018 for claims transmission. Please be aware that registering with the new payer now will not affect your existing means of claims submission or receipt of ERAs.

Continue to bill all 2017 dates of service to the existing Tricare payer ID 61125. For dates of service starting 01/01/2018, you will use a new payer ID: **TREST**

The **mandatory** enrollment process can be found at this site: <https://www.wpsic.com/edi/edi-forms.shtml>

Below are links to the step by step instructions on how to register BILLING NPI(S) on WPS website for claims. We have done our best to provide screen shots to follow. Please use these when you log onto the payer's site. After you complete the tasks online with the payer, you must perform step 2. You must fax both pages of the Change Healthcare Payer Agreement to 916-267-2963.
